DAILY SCHEDULE

Bell Schedule	Times
Teachers and students in classroom	7:45 am
Bell Rings for Class	8:00 am
Dismissal for Bus Students	2:55 pm
Dismissal Bell	3:00 pm

Morning:

1. Students not participating in a sponsored morning activity **may not be on campus before 7:45 unless they are in Extended Care or accompanied by their parent.** There is no one on campus to be responsible for supervision of them. If students are on campus prior to 7:45 a.m., they will be sent to Extended Care and will be charge an Extended Care Fee.
2. Students in grades K3-4 are to be delivered to the covered drop-off in the main parking lot. Staff members will be on duty beginning at 7:45 a.m.
3. Students in grades 5-8 may be delivered to the circle drive in front of the school's office. Students in **8th** grade who have siblings in grades K3-7th may also be delivered in front of the school. This is an 8th grade privilege.

Afternoon:

1. Parents shall display car tags on the dashboard of their car for all carpool lines to facilitate the process for our staff.
2. K3 and K4 will begin dismissal at 2:50 p.m. for those who do not have older siblings in the school. Please enter the parking lot according to the diagram on page 11. There will be carpool zones in the church parking lot. The one closest to the church is for HOV (High Occupancy Vehicles) families who have three or more students. The teachers will bring the students to the front of the old cafeteria and load the students into the cars. Parents are asked to remain in the cars. K3-K5 students who ride the bus, go to aftercare, or have older siblings will be delivered to the appropriate carpool area at 2:55.

3. The HOV (High Occupancy Vehicles) lane will form directly in front of the church for families who are picking up three or more students. Parents are asked to pull up in front of the church and form a line behind the cones. Staff members will direct them when it is time to move in front of the cafeteria for pickup.
4. For families with students in grades 1-4 (also those who have K3-K5 siblings) the carpool will operate by the center car lines. Car lines will form in the middle lanes as shown on the diagram on page 11. All new families should follow the other cars and we will have staff available to direct you for the first few days. Mrs. Hurst will call your name and the children will meet you at the designated numbers. **Please do not get out of your cars; the staff members will load the children into the cars.**
5. Families in grades 5-8 with no younger siblings will be picked up in front of the school's office.
6. All 8th grade students and their siblings will be picked up in front of the school's office. **This is an 8th grade privilege.**
7. Students will not be dismissed from the office after carpool has begun.
8. **No students will be dismissed to parents who are not in the carpool lines until the end of carpool. Do not leave your car to get your student.**
9. **CARS THAT ARE PARKED IN PARKING SPACES WILL NOT BE ALLOWED TO MOVE UNTIL AFTER CARPOOL.**
10. Cars must remain in line and not pass other cars until after the horseshoe curve.

The most important ingredient is PATIENCE as we work through this procedure. The dismissal process is tried and true; it takes everyone's assistance for it to be successful and timely. Bring your rosary; it is a great thing to do during the dismissal process while the kinks are ironed out.

AFTER CARE PICK-UP PROCEDURES

Parents will be issued an orange card to be used for pick-up of students from After Care. Parents may enter through the PLC with their card to pick up their child after school hours. All approved persons who are allowed to pick up students must have this card. This is the only time that parents may enter the school campus through the PLC.

ALTERNATE DISMISSAL

There are times when alternate dismissal procedures are necessary due to such occurrences as inclement weather, funerals, or receptions at either the Church or

Parish Life Center (PLC). On “alternate dismissal” days, parents will be notified by a sign placed outside the normal carpool area. The procedure during this time is as follows:

- Grades K3-4th and High Occupancy Vehicles (HOVs) will be picked up in the classroom.
- Grades 5th-8th will have normal dismissal in front of the school.

PLEASE NOTE! The first two weeks of the school year will begin with the alternate dismissal procedures.

HOMEWORK

Students in grades three through eight **are required to use agenda books to record assignments.** Homework is assigned for the purpose of reinforcing classroom lessons, extending the curriculum beyond school hours as well as fostering and promoting habits of independent study. Homework may be defined as any assignment due on the following day, or after a specified period of time (book reports, science projects). The average time spent per day on homework varies according to the needs and abilities of each child. **If, in your opinion, your child is spending an excessive time on homework, contact your child's teacher to discuss the issue.**

HOMEWORK GUIDELINES

Homework is only assigned after a concept has been explained. Homework assignments take into consideration individual differences and are reasonable in length. Homework will include activities completed outside the school which have a direct application to topics being studied in school. Homework is evaluated; however, recording grades for every homework assignment is not necessarily required or expected. **A zero may be given for no homework.**

Homework - Middle School

1. Assignments that are one day late will have a 10% grade reduction.
2. Assignments that are two days late will have a 30% grade reduction.
3. No assignments will be accepted after two days.

ABSENTEE HOMEWORK

Parents may request short-term homework for ill or absent students. Such requests must be made at the school office **before 10:00 a.m.** and then be picked up at school dismissal time in the school office. This will allow teachers an opportunity to write assignments without interrupting ongoing learning activities. Students are allowed **three school days** to turn in missing assignments upon returning to school from an excused absence. Failure to complete missed assignments will result in reduction in grades. It is the student's responsibility to obtain assignments and turn in missing work. **If a student is absent the day of a test but was present the day prior for the review, the student will make up the test upon his/her return to school. Extra-Curricular Activities do not fall into the category of Excused Absence. Homework will be due the following day for students who miss class due to extracurricular activities (sports, etc.).**

ACADEMIC GRADES AND PROGRESS

PROGRESS REPORTS

A student's progress may be monitored by parents through the Parent Portal of PowerSchool. Progress reports may also be given any time a student's progress is not satisfactory.

ACADEMIC IMPROVEMENT PLANS

All students who receive a D or an F on their report card will have an Academic Improvement Plan (AIP). The AIP will list strategies for improvement and will be monitored closely until the grades improve. Academic Improvement Plans will be written at the end of the first, second and third quarters. The AIP will require a parent/guardian signature.

INCOMPLETE GRADES

In cases of prolonged illness or other extenuating circumstances, a student may receive an Incomplete due to missed assignments. The incomplete grade is initially recorded on the report card as an "Incomplete." After 10 days, the "I" is changed to the grade earned; if the incomplete grade is not corrected by the end of the ten-day period, the grade reverts to an "F." Grades will be changed in Power School at the end of the 10 day period.

REPORT CARDS

Report cards are issued every nine weeks. The nine-week grading period is in accordance with Diocesan policy. Report Cards must be signed by the parent/guardian and returned to the school within one week of issuance. The last report card of the year will be mailed home as long as financial obligations are clear.

Grading Scale

<u>Grade 1</u>	<u>Grades 2 – 8</u>
E – Excellent	A 90-100
S – Satisfactory	B 80-89
I – Improving	C 70-79
N – Needs Improvement	D 60-69
U – Unsatisfactory	F Below 60
	I Incomplete

PARENT-TEACHER CONFERENCES

Communication between home and school is very important and part of our philosophy at Saint Mary Catholic School. As such, we require parents to receive their child's first quarter report card at a parent/teacher conference. Throughout the year teachers and parents/guardians may request additional conferences to ensure the best possible education for each student. Please call the school office or email your child's teacher to request a conference. If a parent has any concerns in regards to his/her child's education, they should be addressed with the teacher first and if necessary with the principal.

POLICIES AND GUIDELINES

ATTENDANCE

Students **may not be dropped off for school before 7:45 a.m.** unless they are attending Extended Care. After 7:45 a.m. students may be dropped off and are to go directly to their classrooms. It is important for students to arrive on time each day in order not to disrupt the beginning of the school day and also be present for important announcements. School begins promptly at 8:00 a.m. To

fully benefit from the instructional program, students are expected to attend school regularly, be on time for classes, and satisfy all course requirements. Poor attendance or excessive tardiness may result in low or failing grades. Students may be counted in attendance only if they are actually present or if they are away from school on field trips or other activities sponsored by the school under the supervision of school authorities.

TARDY

Students who arrive after the 8:00 A.M. bell has rung must check in the office **with their parents**. Signing in does not automatically excuse the tardy. Tardiness is excused only if it is a result of serious or unavoidable circumstances. If your route to school is prone to traffic problems, please leave early enough to allow students to arrive on time.

If a student arrives tardy more than 1 hour late (9:00am) or leaves school more than 1 hour early (2:00pm) , the student will be counted as ½ day absent. (This does not include for medical appointments.)

If the student arrives more than 3.5 hours late (after 11:30) or leaves more than 3.5 hours early (before 11:30), the student will be counted as a full day absent.

EARLY DISMISSAL

There will be no dismissals after 2:00 p.m. except for medical appointments with a doctor's note. This is both an instructional and safety issue. Early dismissals disrupt the class routine for the whole class and it is a safety and security issue during carpool.

Appointments for the doctor and dentist should be scheduled after school. In the event a student must leave school during the day, **a note must be given to the teacher at the beginning of the day**. A student will not be dismissed from class before the parent arrives and signs the student out of school. The last bell rings at 3:00 p.m. Teachers are expected to teach until that time. If a student checks out early, they are jeopardizing their grade and interfering with instruction. If a student checks out early, they are responsible for the next day's homework and any class work missed. The student is responsible for acquiring the assignments.

REQUIRED ATTENDANCE

Any student who has not been in attendance for instruction for a minimum of 90% of the class each semester may not pass the subject unless the student demonstrates mastery of the student performance standards by

passing a comprehensive final exam in the course. This will go into effect after 9 days absence in any semester.

ABSENCE OTHER THAN ILLNESS

Absences other than illness are approved in advance by the principal. Students missing school for vacations or trips of any kind are excused only with advance permission. Students are required to obtain whatever assignments are missed in advance and **turn the work in the day they return.**

BACK PACK POLICY

Back Packs are to be used to bring materials and books to and from home. They may not be used during the school day. The backpacks will be stored in the homeroom of each student. Students who change classes will take their 3 ring binder and their books only. Girls will be allowed to use a small purse.

Students in grades K3 through 5 **will not be allowed to use rolling back packs.** Students in grades 6 through 8 may use either type of backpack.

SCHOOL BUS

These rules apply to all students since buses are utilized on field trips. The bus adheres to a strict schedule and does not wait for late students. The bus stops at scheduled stops only. Please do not ask the bus driver to make unscheduled stops. This is for the safety of our children and ensures the bus is on time.

- Students should arrive at least 5 minutes early to their bus stop to account for the bus running early.
- Students who ride the bus will be ready for departure at the last bell. Buses will leave the grounds at 3:00 P.M.
- Students may not get off the bus once they board the bus.
- Except for ordinary conversation, students shall observe quiet conduct on the bus.
- Seatbelts must be used.
- Students must stay seated in their seats while the bus is in motion.
- Students must sit upright with their feet on the floor or aimed toward the floor.
- Students shall not discard garbage on the floor of the bus.
- Students will not eat food or drink on the bus.
- No part of the body shall be extended through the bus window.
- Throwing anything out the window is forbidden and is illegal. A fine can be assessed that the parent will be responsible to pay.

- Students are allowed to ride the bus home with a friend on a space available basis. The cost for a student (who is not a regular patron) is \$5.00.
- Students will close their windows when they get ready to exit the bus.
- If no one is at the assigned bus stop to pick up the students they are returned to After-Care at the school and the parents is charged.

Riding privileges may be revoked for rule violations or for conduct, which is detrimental to the safe operation of the school bus. The driver is in complete charge of the bus and students

ALTERNATE TRANSPORTATION

Students who will be using transportation other than their normal plan must provide a note from home. If a bus rider will be going to carpool, the parent must confirm this change in writing. The note must include the name of the person the student will be riding with and be signed and dated by a parent or guardian.

CAFETERIA

Hot and nutritionally balanced meals are prepared daily. The five menu categories are Meat/Protein, Vegetable, Fruit, Grain, and Milk, (usually fat-free, reduced fat, chocolate reduced fat and whole milk choices). On most days, there is more than one selection in each of the categories offered. Students in K-3 through 1st grades will have their trays prepared with 4 lunch items by the cafeteria staff. They will select their milk type (5th item).

Meals cost \$3.00 for students at all grade levels. The non-student (adult) meal cost is \$3.75. A la Carte items & extra entrees will cost \$1.25. Students who bring a sack lunch may purchase milk or juice for 75¢.

It is a parental responsibility to provide for a child's lunch. Students can charge meals if they forget their lunch or lunch money, however, charging should not be considered a normal procedure. Students may not charge for extra servings. All charges must be paid the next day. After one day of charges, then the student will be furnished a sandwich and a milk to eat if they do not have money to pay for their lunch.

Lunches and milk for the week may be purchased in advance from the cafeteria cashier. The money should be sent to the homeroom teacher in a labeled envelope. Prepaid credits are maintained by the cafeteria cashier.

BEHAVIOR IN THE CAFETERIA

There are two lunchroom monitors in the cafeteria. The monitors are in charge of the students during their lunch period. Teachers bring students to the cafeteria, get the students seated and then will have duty free lunch. The monitors will supervise the lunch time for each class and will guide the students in appropriate manners which will include cleaning up after themselves. They may bring foods in a thermos or eat from the lunchroom if they require a warm meal.

1. Students are expected to use good table manners.
2. Students will keep conversation to an appropriate noise level.
3. Students will remain in their seats during lunch, unless given permission by one of the supervising adults.
4. Students are assigned by the monitors to clean tables.
5. No canned or carbonated drinks are allowed.
6. Students will put trash into the container, clean up the floor, and exit quietly when instructed to do so by the monitors or their teachers.

COMMUNICATIONS

CONTACTING STUDENTS DURING SCHOOL HOURS

Parents picking up students, leaving messages, lunches, etc., during school hours must go through the office. Messages for students and teachers will be delivered at a time that does not disrupt classroom activity. Please make every attempt to keep these interruptions to a minimum. It is important that the pick-up procedures/plans be made before the school day begins. We will not accept change in routine instructions for students after 2:15 p.m. unless it is an emergency.

Parents are not to enter the classroom during the school day unless they are scheduled as a volunteer and have signed in at the school office. If you walk your child to class in the morning, please leave them at the door. Teachers are particularly busy at the beginning of the school day and are not available to consult with parents.

OFFICE TELEPHONE AND STUDENT CELL PHONES

Students will use the office telephone for emergency purposes only. Items left at home such as books, homework, music instruments, or physical education uniforms/equipment is not considered an emergency. Additionally, phone calls are not allowed to arrange after school activities, these arrangements should be made prior to the beginning of the school day.

Student cell phones are allowed on campus as long as they remain in the book bag, or cubby and are turned off. Phones must be turned off during school hours and students may not have cell phones on their person. Cell phones will be confiscated if used on school property during the hours of 7:30 a.m. until 4:00 p.m. Any confiscated phone must be picked up by parents from the principal.

MONDAY MESSAGE

Each Monday school news, upcoming events and calendar updates will be posted on the website. This is an excellent way to be up to date on all school news. An email alert will be sent to all parents with the electronic messages. The Message is accessible on the school website under the heading Monday Morning Message. In addition, the second Monday of each month, students and faculty will meet together in the gym at 8:00 a.m. to provide the school an opportunity to come together as a school community in prayer and for announcements and presentations.

DISCIPLINE

Saint Mary Catholic School strives to provide a positive learning environment where students can learn and reach their full potential. Students and parents are provided a list of specific classroom rules at the beginning of each year. Each teacher has his/her own management system, composed of basic rules, rewards for compliance, and consequences for broken rules. Please be aware that any one list of rules is not all-inclusive but serves as a general guide. It is our intention to work together to insure that each student progresses. As part of this partnership, the school requests that parents discuss the rules at home and take the time to explain what is expected at school.

PEACE WORKS

Saint Mary Catholic School strives to provide students with tools to enable them to act as responsible citizens toward each other and utilizes the Peace Works Curriculum to achieve this goal. The program has a strong emphasis on teaching and modeling acts of kindness every day. The philosophy and principles of the Peace Education Foundation believe that peacemaking can be taught and that the peacemaking skills are lessons for living a more joyful, productive and caring life. By opening the minds and hearts of students to these concepts of self-worth and the worth of each person, and to deeper dimensions and values gives them a precious lifetime gift for the enrichment of themselves, their community and their lives.

Saint Mary Catholic School has adopted the following six Peace Rules.

PEACE RULES

As

"We Walk with Jesus"

1. We cooperate constructively.
2. We speak respectfully.
3. We listen with an open mind.
4. We act with kindness.
5. We respect each other's feelings

CLASSROOM DISCIPLINE

Each teacher develops a discipline plan that is implemented prior to sending a student to the office. Teachers send a discipline plan home to parents at the beginning of each school year. A Disciplinary Report (DR) is sent home for conduct violations in all grades. These reports must be signed by a parent/guardian and the student and returned to the issuing teacher the next school day. Failure to return the DR or to bring a note from home results in an automatic detention. When a student's behavior fails to be corrected in the classroom, the teacher will conference with the parent.

- *Minor offenses that include (but are not limited to)

- *Three Level One Offenses accumulated during any semester.
- *One Level Two Offense
- *Failure to return a discipline report

Teachers, as well as administrators, may assign detention. Parents are notified by the teacher assigning the detention.

SUSPENSION

All concerned parties will meet to discuss the problem and seek a solution.

Suspension may be assigned for the following offenses:

- *Three detentions accumulated during the school year

Any student with two suspensions on their record at the end of the school year will be placed on probation for the first semester of the following school year.

PROBATION

This is a trial period when a student must demonstrate good behavior and a willingness to cooperate with other students and the school's staff.

EXPULSION

This is a disciplinary measure used only when incorrigible behavior or conduct threatens the physical or moral welfare of other students or seriously affects the learning process. A parent conference is imperative when such a problem is discovered. The principal, with the approval of the pastor, may expel a student for a grave reason. The Superintendent of Schools is made aware of such problems prior to the parent conference and expulsion.

EXTENDED CARE

The Extended Care Program provides quality supervision that fosters development and is available to children enrolled at Saint Mary Catholic School. Parents must first complete a registration form before they may enroll their children. This form should be returned to the Extended Care Staff (see Tuition and Student Fee section for costs). Extended Care is offered at Saint Mary Catholic School during the school year from 6:30 am until 7:45 am and from 3:00 pm until 6:00 pm. The program provides students with the opportunity to meet before and after school in a supervised environment for both play and study.

EXTENDED CARE RULES

Failure to comply with the rules listed here can result in a phone call to the parent/guardian and then subsequent removal from the program.

1. Students report to the Extended Care staff person immediately upon arrival in the morning and immediately after school dismissal in the afternoon. The Extended Care staff is not responsible for students who do not report after school.
2. Students may not leave the playground and must stay within the fenced area. If weather does not permit students will be in the cafeteria.
